

What kind of garden are you?

Low maintenance? Classical? Contemporary? Let us help you find out.

Dear,

At (insert name) we help you design and create the garden to suit you and your lifestyle. Imagine enjoying your garden after a long hard week, listening to the gentle splash of the water feature and the fragrant smell of the lavender growing by the patio.

Alternatively you may be the kind that wants to harvest your own organic vegetables from the cottage garden. Whatever your type we can help you create a garden that you will love.

We specialise in all kinds of gardens from traditional to contemporary and can help with the following;

- Hard landscaping
- Design and planning
- Planting shrubs and trees
- Irrigation systems
- Ponds and water features
- Maintenance
- Refurbishment

If you want a garden that you, your family and friends will love, call us today and we will help you create a garden that suits your lifestyle.

Yours sincerely,
