

## **Create a perfect first impression with quality print**

There is so much to starting a new business, lots to organise and prepare; arranging business stationery is one of them.

Good quality printed stationery says a lot about you, how professional you are and what kind of service your potential customers can expect from you.

At (insert name) we have helped hundreds of businesses present a professional image with quality letter heads, compliment slips, business cards and brochures, businesses that have gone on to thrive and prosper.

Here are a few things we can help with;

- Letter heads
- Compliment Slips
- Business Cards
- Brochures
- Artwork and design

Call us to discuss your printing needs and get your business off to a flying start.

Yours sincerely,

(insert name)

**P.S. We are offering 1,000 free compliment slips with every order for 2,000 letter heads during (insert month)**
